## ORDER RE OBJECTIONS TO DISCOVERY ORDER

9 || SEAFOOD PEDDLER OF SAN RAFAEL,

10 Defendant(s).

11

12 Before the court are the objections filed by defendant to Magistrate Judge Cousins'  
13 discovery order of October 16, 2012. By operation of Civil L.R. 72-2, the motion for relief  
14 from the order is deemed denied if no action by the district court is taken within 14 days of  
15 the date the motions are filed. Typically, no responses are permitted and no hearing is  
16 held. However, in this case, the court has already scheduled a hearing to discuss  
17 discovery issues during the November 15, 2012 case management conference. The court  
18 will address defendant's current objections at that same hearing. Accordingly, by this order  
19 the court suspends operation of Rule 72-2 pending the outcome of the November 15  
20 hearing.

## 21 IT IS SO ORDERED.
